**Please note:**

Graduate students may take courses in any of the other graduate degree programs, if approved after consultation with your advisor. This implies that these courses may contain a mix of students from other graduate degree programs. Please note that most advanced MBA courses will only contain MBA students due to the pre-requisite requirements.

**Adds and Drops**

- ✓ It is possible to drop courses until the Friday of week 2 of the session. Dropped courses will not appear on a student's transcript, and tuition will be credited in full. It is possible to add courses until the first class of the second week if instructor permission is secured.
- ✓ Withdrawing from a course after the second week results in a W grade and a partial or zero refund depending on the week of the term.
