

# “Switzerland and its Diversity” Cluster

## May 18 – June 27, 2015

### Study at Webster University Geneva this summer

- In addition to all the great possibilities for fun and cultural discovery during a study abroad experience, there’s now opportunity to fast track your academic requirements while learning about Switzerland
- Webster Geneva is offering a cluster of summer courses entitled “Switzerland and its Diversity.” This cluster is open to all undergraduate students in the Webster network
- This learning community will explore the cultural and linguistic aspects of a small country, and its past and current role on the global scene
- In just six weeks, you can take three courses (9 credit hours) that will help you become a more astute global citizen. The courses are:
  - INTL 2610 Advocacy, NGO’s and Civil Society
  - ILC 2150 Topics in Culture – The History and Art of Switzerland
  - ILC 2150 Topics in Culture – Plurilingual Switzerland
- There are several benefits to joining this cluster:
  - Understanding the foundation of several European languages and their influence on English
  - Organized field trips to different linguistic parts of Switzerland
  - Opportunity for independent weekend trips to: Paris, Rome , Berlin
- This summer, you can benefit greatly from the passion of dedicated faculty members who have come together to craft a special academic experience in an exciting format
- For students coming from other Webster campuses, a greatly reduced housing fee will be in place. For Webster Geneva students, CHF 2,000 will be awarded as a scholarship towards fall tuition, once the courses are successfully completed
